Fax: 914-347-5054

Dear Friends, Families & Members of the North East Community:

For over forty years, North East Westchester Special Recreation, Inc. has provided community based therapeutic recreational experiences for children, teens and adults with developmental disabilities residing in the North East portion of Westchester, County, NY.

We write to ask you to support our organization this year with a donation to our fundraising campaign, **Champions For North East**. There are three levels of giving. The initiative is on-going and lasts throughout the year. Your donation will be recognized in our program brochures, event journals and publications.

We continue to strive to expand our programs and offerings to over 500 community members. Without donations from individuals like you, this would not be possible. Donations help sustain our programs, allow more events and benefit the special needs community which we serve.

Many program participants have been attending our programs for years, some decades! Their families are grateful for the enjoyment and growth their loved one experiences. Our programs provide experiences that inspire confidence building skills, foster friendships and cultivate meaningful relationships.

We are counting on your support. Our agency's success is due in large part to the generous support of individual donors who believe in our mission as well as gifts from businesses and corporations.

North East Westchester Special Recreation, Inc. is a non-profit, tax exempt agency. All donations are tax deductible.

With Gratitude,

Ellie Arnemann
